**To Our Community Partners and Friends:**

My name is Carolyn Lapp, Executive Director of The Florida Outreach Center for the Blind. We are celebrating our 20th Anniversary on April 29th and are inviting you to join our Open House.

The mission of the Florida Outreach Center for the Blind is to develop and administer programs that will integrate blind and visually impaired persons into the social, economic, and spiritual lives of their community.

We would love you to see our facility where we teach blind and visually impaired individuals the skills to use smartphones (both IOS and Android based), and computers. In addition, we teach independent living skills (ADL), Braille, and Orientation and Mobility. All services are free and provided by compassionate blind instructors who understand the emotional component of vision loss. In that regard, we also have a support group once a week where clients can discuss privately whatever is on their minds.

We are located at 2315 S Congress, Palm Springs, FL 33406. Our phone is 561-642-0005. Our website is: [www.blindfocb.org](http://www.blindfocb.org).

Looking forward to seeing you,

Carolyn Lapp, Executive Director
